

Jackpot Pro™

Utilizing ASAI's newest Slot Department transaction reporting software and Diebold-Nixdorf's award-winning automation engineering, **ASAI's Jackpot Pro** is the fast and efficient way to expedite the experience for your Casino's patrons. You can rest easy knowing that your money is secure, and transactions will run smoothly without errors.

These dispensers have the ability to:

- Dispense Jackpots Quickly
- Read and Pay Slot Tickets from all Slot Management Systems
- Remotely Monitor Your Cash/Supply for Easy Management
- Provide Detailed Cashier Reporting

By employing the Diebold 220 Express Cash Dispenser, the **Jackpot Pro** is user-friendly, and comes complete with all of the necessary accoutrement to make cash dispensing easy. Using these machines will guarantee swift transactions, all while minimizing cash losses and maintaining the focus on what's really important — the customer.

- Fast and Simple Cash Dispensing
- Easy Install for Any Casino Environment
- Reduces Variations and Miscounts
- Smaller Footprint On Your Property
- Enhanced Security As Funds Remain Hands-Off Inside ECO High Level Safe

Unrivaled Technology

ASAI's **Jackpot Pro** software is the best the industry has to offer. It is designed to provide your Cashiers, Slot Floor People, Supervisors, and Managers with a fast and efficient way to expedite all of your Cash Transactions. It has customizable jackpot dispense reporting, transaction processing interfaces, and at-a-glance cash & equipment status monitoring.

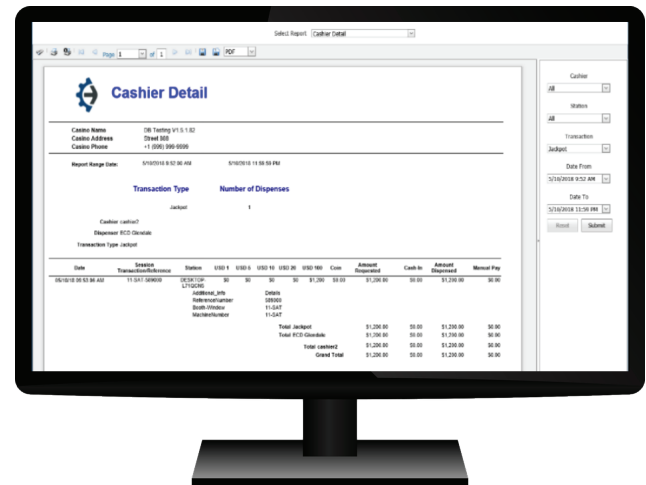

Capacity

The **Jackpot Pro** is capable of seating up to six 3000 note multimedia cassettes and come with an additional Divert Cassette for the greatest of capacity.

The screenshot shows the 'Jackpot' software interface. At the top, it displays 'AMOUNT REQUESTED' as \$1,200.00, 'CASH-IN' as \$0.00, and 'AMOUNT TO DISPENSE' as \$1,200.00. Below this is a 'Dispense Mode' section with a table of denominations and bills left:

HotKey	Denomination	BreakDown	Bills Left
F2	\$100	\$1,200	\$89,400.00
F3	\$20	\$0	\$19,060.00
F4	\$10	\$0	\$9,730.00
F5	\$5	\$0	\$9,955.00
F6	\$1	\$0	\$9,978.00
F7	COINS	\$0.00	\$28.17

At the bottom, there is a 'Dispense' section with 'Missing Amount' at \$0.00 and 'Dispense' at \$1,200.00. Buttons for 'F8 Breakdown', 'F10 Dispense', and 'F12 Cancel' are visible.

Service

With over 4000 service technicians nationwide, the Diebold 220 is supported by Diebold's vast network of technicians that provide 24-hour assistance and offer guaranteed response times.

Design

- Height: 37.75"
- Width: 17.30"
- Depth: 30.50"
- Weight: 850 lbs.

Jackpot Pro assures that:

- Variations are virtually non-existent
- All transactions are recorded and available for monitoring
- Funds are secure
- Less cash is needed on property as you can manage funds more effectively
- Transfer of funds are limited across the Casino Floor
- Your time is managed more effectively
- A faster, smoother payout that truly enhances the guest experience and keeps the thrill of the win alive.

"The **Jackpot Pro** from ASAI has greatly increased our service levels to our guests and has reduced labor associated with paying jackpots out of the Cage. It is a user-friendly kiosk with solid reporting and accounting support." – **Brian Roe, Director of Cage and Credit Operations at Pala Casino Spa and Resort**
